Dr. Abigail Adams, MD
Owner, Laser & Weight Loss
Physician & Injector

The Med Spa of New Smyrna Beach is owned and operated by Abigail Adams, MD, FACEP. Dr. Adams earned her degrees in Nutritional Sciences (2002) and Medicine (2007) from Michigan State University. Deeply committed to serving her community, she founded the Med Spa of New Smyrna Beach in 2013 to provide a safe, ethical, and patient-centered environment for aesthetic treatments. As the first medical spa in New Smyrna Beach, the practice has since earned multiple distinctions, including "Best of the Best Med Spa" by the Daytona Beach News-Journal (2022) and "Reader's Choice" by Hometown News (2021). Additionally, the Med Spa is recognized as a Top 2% Allergan injectable provider nationwide.

LASER TATTOO REMOVAL

Our Discovery Pico Laser is the best technology on the market treating all tattoo colors & sizes anywhere on the body. The laser delivers pulses of energy that shatters the ink into tiny particles allowing your body's natural detoxification system to break it down & eliminate it over 6-8 weeks after treatment. Typically 6 or more treatments are needed. The procedure is quick and easy. We offer topical/injectable lidocaine, nitrous gas & subzero chiller for comfort.
